**INTRODUCTION**

Rhode Island Housing and Mortgage Finance Corporation (“RIHousing”) is a privately funded public purpose corporation and instrumentality of the State of Rhode Island (the “State”) exercising public and essential governmental functions, which has a distinct legal existence from the State, and has such purposes and powers as are set forth in Chapter 55 of Title 42 of the Rhode Island General Laws of 1956, as amended (the “Enabling Act”). Firms shall be eligible for engagement for a period of three (3) years.

### **Scope of Work**

RIHousing forecasts funding approximately 1,300 residential mortgage loans for a total of \$498 million in 2024. RIHousing funds loans with the proceeds from the sale of tax-exempt Mortgage Revenue Bonds (“MRB”), through Ginnie Mae MBS (“Mortgage-Backed Securities”) or selling loans to the Federal National Mortgage Association (“Fannie Mae”) and the Federal Home Loan Mortgage Corporation (“Freddie Mac”). Of these loans, approximately 20% are conventional and 80% are government-insured. The sources of RIHousing’s originations come from three different channels: retail, wholesale and correspondent.

The successful respondent will perform post-closing quality control reviews of these mortgage loans. The reviews must meet Federal Housing Administration (“FHA”), U.S. Department of Veterans Affairs (“VA”), U.S. Department of Agriculture and Rural Development (“USDA”), Federal Home Loan Mortgage Corporation (“Freddie Mac”), Federal National Mortgage Association (“Fannie Mae”) and the state of Rhode Island requirements.

Tasks that the successful respondent will be responsible for performing will include, but are not limited to:

1. Perform the file selection process to incorporate a random file selection sample, as well as incorporate discretionary sampling specified in RIHousing’s Quality Control program.
2. Performing quality control reviews of an estimated 130 loans per year based upon a 10% sample requirement of our anticipated yearly loan production.
3. Performing a quality control review on all early payment default loans (approximately 75 loans per year).
4. Re-verifying all third-party employment, income, credit and asset documentation. The re-verified information is to be analyzed to ensure the integrity and reasonable accuracy of the documents used in the credit decision process.
5. Confirming all data integrity to ensure the DU, AUS and/or Total Scorecard findings and documentation support the credit decision.
6. Conducting an appraisal review for selected files in accordance with Fannie Mae, Freddie Mac, FHA, VA and USDA guidelines.
7. Ordering a tri-merged credit report to reconcile the liability information obtained from the original credit report.
8. Reviewing loan file information for accuracy and compliance with state and federal laws and regulations and RIHousing, investor and insurer program requirements. Final figures, including APR, finance charges and closing costs should be recalculated.

**RFP/RFQ Title:** Residential Mortgage Loan Quality Control Vendor  
**Respondent Name:** \_\_\_\_\_

9. Implementing fraud and misrepresentation detection tools to uncover potential fraud when reviewing re-verifications, appraisals and other loan documentation.
10. Ensuring all RIHousing and investor/insurer underwriting conditions were met prior to the closing of the loan file or loan funding, as appropriate.
11. Supplying RIHousing with reports that include a summary and detailed analysis of the review conducted. The findings should be presented in varied formats that provide identified patterns and trends with regard to RIHousing loan products, third party lenders, underwriters and the purchase review process. All reports must be in compliance with RIHousing and federal quality control requirements.
12. Providing trending reports and defect ratios which meet RIHousing and federal requirements. These reports should summarize audit results measured against these requirements and render a risk analysis rating on each loan file.
